Hope Continues

Together We Can Accomplish Great Things!

It is difficult to say what is impossible, for the dream of yesterday is the hope of today and the reality of tomorrow. - Robert H. Goddard

2020 has brought some interesting and perplexing changes to the world we know. The effects of the COVID-19 pandemic are being felt everywhere. Now, more than ever, the needs of health care and hospice care are great.

Each year the Agnesian HealthCare Foundation provides nearly \$300,000 to support hospice patient care. In 2020 and beyond, we anticipate that need to be even greater.

Consider this, in 2019 alone, just under 1,000 hospice patients were served with 30 percent of these patients receiving financial assistance for the length of their care - approximately 65 days on average. Our commitment is that all who seek hospice care have access during this sacred time of life, no matter their ability to pay. Will you help us reach our goal of **\$250,000**?

From now until Monday, August 17, we will be reaching out to you and members of our community to participate in this campaign. We hope that you will join us virtually as we reveal live on Facebook our success.

Along with Paul and Michelle Muche, this year's senior co-chairpersons, and Drs. Punit and Nidhi Kumar, our junior co-chairpersons, we hope you will add your name to our list of supporters. Together we can accomplish great things!

Hospice Care Continues

As we celebrate our 32nd year of the Charity Open, we remain vigilant in our efforts to support funding for hospice patients.

Thank you for your donations over the years to Charity Open, funeral memorials and honorariums supporting hospice. Through your generosity, more than six million dollars has been raised to support thousands of patients and families during this sacred time. Thank you for your continued support.
