

# Agnesian eHealth

## YOUR ON-LINE HEALTH MANAGEMENT RESOURCE

### What is Agnesian eHealth?

Agnesian eHealth is your personal on-line view into the electronic health record that your Agnesian HealthCare providers use to manage and document your care.

It is a free web-based tool that allows you to access your records anytime and anywhere you have an Internet connection.

### Is Agnesian eHealth Secure?

Protecting the privacy of our patients' health information is very important to us, so we have made this process very secure. Agnesian eHealth is a confidential site that provides individuals with the ability to privately view, store and share health information including medications, allergies, immunizations and select laboratory results.

### Benefits of Using Agnesian eHealth

Here are some of the benefits of using Agnesian eHealth. You can:

- *View your medications; allergies; immunizations; surgeries and procedures; and a list of health issues*
- *View your laboratory results*
- *Request appointments*
- *Request a medication refill from your healthcare provider*
- *Manage your health profile*

### How to Register for Agnesian eHealth

Upon receiving your registration form, we will enter your information into Agnesian eHealth and set up your account. You will receive a secure e-mail welcome invitation from Agnesian eHealth within two business days.

## Agnesian eHealth Registration Form

Complete this registration form and give it to a receptionist, nurse or provider. You may also drop it off at any hospital Admitting department or at the Agnesian HealthCare Information Desk on our main campus, 430 E. Division Street, Fond du Lac. Please bring a photo ID when returning the registration form.
