- We strongly recommend you become familiar with your insurance policy and understand the extent of mental health and/or addiction services coverage. **You** should check to see the requirements of your plan before your next appointment. The fee allowed or paid by your insurance and the co-pay may vary with the policy or contract Agnesian Healthcare has with your carrier. It is your responsibility to pay any portion of the bill not covered by insurance.
- **Co-payment is due at the time services are provided.**
- If you are self-pay, you will be **required to pay one half of the session fee at the time of each appointment and have made a payment plan.**
- Outpatient Behavioral Health Services will not enter into any dispute with your insurance carrier. Should they fail to pay, you are responsible for the unpaid balance in full thirty (30) days after you have been discharged from treatment services.
- An individual may be involuntarily discharged from treatment services for their inability to pay for services under certain circumstances. St. Agnes Hospital may turn over any outstanding bill to a collection agency if appropriate and adequate payment arrangements are not reached.
- If we can be of any assistance in helping you understand your coverage, please feel free to ask us. For questions regarding billing, please call (920) 324-7615.
- A full listing of all fees within Outpatient Behavioral Health Services is posted in the waiting room and a copy can be obtained from the receptionist
- Missed sessions and those canceled without 24 hour notice shall be billed at one half the session fee. Insurance companies and medical assistance generally do not cover this fee. More than two missed appointments or cancellations with less than 24 hour notice is grounds for dismissal.

I have read and understand the above fee policy information.
